Revenue Secretariat with a direction that it is His Highness' particular desire that the memorial should be promptly disposed of.

The petition was forwarded to the Dy Commr., Kolar Distt, and that Officer has submitted a report thereon together with the vernacular papers on the subject.

The Assistant Commissioner Mr. K Srinivasa Rao states in his English report on the subject, (Sub B) that there is no entry either in the Siddavathi Byraishi or Jari Inam accounts or the Quit-rents Register, to show that any Inam land was endowed to the masjidi that the institution is in the enjoyment of an annual cash-Tasdik of Rs 12/- which is being paid to the petitioner for the up-keep of the masjid and that the petitioner states that this amount is barely sufficient to defray the cost

The original of One of these is reported to be a Mahrati Sannad which is not signed and part of which is torn away, purporting to be an order to the Amildar of Mulbagal to restore certain Inam lands to the petitioner's ancestors. The original of the other document is reported to be a Mahrata and Hindoostani Sannad sanctioning a Cash grant of 5 Canteroy Pagodas per annum The 3rd is an endorsement to show that the original Sannads were produced in the Taluk Cutcherry in 1863. The cash grant enjoyed by this institution viz Rs 12/- per annum is no doubt small, but there are a large numbers of such institutions getting similar small Jasdiks and it is not possible to increase the grants.

The existence of any inam land in favour of the Masjid was not put forward at the time of the Inam Settlement

The Petr maybe informed that nothing can be done.

Submitted to His Highness.

These papers relate to a petition presented to His Highness the Maharaja during his tour in the Kolar District by one Syed Ibrahim of Darenhalli in the Mulbagal Taluk, praying for the restoration of certain Inam lands originally granted for the upkeep of the Muszid at the place, and a certain cash Inam granted for the remuneration of the Fakir of the Durga The petition was forwarded by the Private Secretary to His Highness to the General and Revenue Secretary for disposal and intimation of the orders passed.

There is nothing to show that any Inam land was given to the Muszid as alleged. In his deposition before the Sub Divisional Officer, the petitioner has stated that he does not know personally of any inam having been enjoyed by the Muszid. The Mahrati paper produced by the petitioner purports to be an order to the Amildar of Mulbagal to restore certain Inam lands, not specified, to the petitioner's ancestors, but the paper is not signed and a part of it is torn away. Moreover no claim for any such Inam was brought t

settlement at the time of the Inam enquiry.

As regards the cash grant, the amount originally sanctioned was 5 Kantiry pagodas per annum equivalent to Rs.14-8-11. But under the Inam Commissioner's title-deed dated 1st October 1873, the Muszid was allowed an annual cash grant of Rs.12 which is being paid to the petitioner. The Muzrai Secretary says that the grant is no doubt small, but that there is a large number of such institutions getting small tusdiks and it is not possible to increase the grants and that the petitioner may be informed that nothing can be done in the matter. The Second Councillor agrees with the Muzrai Secretary.

The petitioner will be informed accordingly.
